Denplan is the UK's leading dental payment plan specialist with approximately 1.8 million patients already enjoying the benefits of membership.

Spread the costs of your routine preventive dental care with monthly payments

Taking care of your dental health has never been so easy. With Denplan Essentials, the cost of your check-ups, dental x-rays and hygiene treatment can be evenly spread throughout the year in monthly payments.

The regular care you receive as a Denplan Essentials patient helps to ensure that any treatment needs are identified as early as possible. Your dentist will let you know about any treatment you need - such as fillings, crowns or cosmetic work - and what it will cost.

You can look forward to better long term oral health because Denplan Essentials gives your dentist the time to place greater emphasis on preventive dental care. They will give you dental advice and take positive steps to help you avoid tooth decay and gum disease.

How does Denplan Essentials work?

- Denplan Essentials allows you to budget for the cost of your routine preventive dental care
 - check-ups
 - dental x-rays
 - hygiene treatment
- Denplan Essentials includes mandatory Supplementary Insurance, to provide cover towards the cost of treatment required as a result of a dental injury or dental emergency
- There is no pre-assessment necessary
- Your dentist will decide the number of check-ups, hygiene appointments and dental x-rays you are likely to need on an annual basis
- Your dentist then lets you know a monthly fee to spread the cost of your ongoing routine preventive care
- Your payment is collected by Denplan, and you can choose to pay your fee monthly by Direct Debit, or annually in advance either by Direct Debit, cheque or credit/debit card
- Please note that there is a registration fee payable. This is a one-off charge, equivalent to one month's fee
- For the dental care you receive under Denplan Essentials, you are in contract with your dentist. For the Supplementary Insurance element you are in contract with AXA PPP healthcare Limited and you are in contract with Denplan for Denplan Insurance Services
